

Sandusky Valley Regional Coordinating Team
Mission Opportunity

The Sandusky Valley Regional Coordinating Team would like to offer the churches in our Association the opportunity to help with Phase One of a mission project we are organizing at Fairhaven Community in Upper Sandusky. We need your help in removing old playground equipment from a courtyard at Fairhaven to make way for a construction project early this summer, and a re-landscaping project later this summer.

Phase One of this project will include removing/disassembling playground equipment along with removing the cushiony surface surrounding the equipment. This mission project would be a great opportunity for anyone who has a desire to do physical work for the service of others; especially youth groups, Confirmation classes, or anyone who needs to complete community service hours.

Our work day will be Saturday, May 3rd beginning at 10:00am at Fairhaven. The folks at Fairhaven have offered to provide lunch for our work crew that day, so we need to know how many people will be coming to help out. If you would like to offer your help, or the help of a group, or if you have any questions, feel free to contact Brenda Weslow at bweslow@yahoo.com. We hope to hear from you soon!
