The purpose of the workshop is experience a wide range of information available on best practices from our national and regional partners in up-to-date stewardship practices.

Rev. Penny Lowes, vice-moderator, of the UCC will be the convener and we will have multiple presentations from Donaldson Hill and Howard Hawkins from United Church Funds on Planned Giving resources, Patrick Dugan from Church Building and Loan Fund on UCC Stewardship Resources and using church buildings and physical plants in innovative stewardship. Churches will have opportunities to share success stories that can be duplicated and each church will be given time to plan their 2018 year round stewardship program.

Cost of the Seminar - \$25.00
