

**WELL-**

***Theology  
is thinking about  
God,  
and, as Christians,  
what we think about  
God matters  
in our lives.***

**AND-**

***Ethics and Morals  
do matter,  
and an intentional  
understanding of both  
is needed  
in our lives  
and in our world.***

So you see,  
it is **important** for us to  
study and understand  
Theology, Ethics  
and Morals.  
In fact,  
all three are  
**foundational**  
to our faith as Christians.

Unfortunately,  
Many people believe that  
these are boring topics,  
and that they are reserved  
for lofty academic classes.

**BUT  
THAT'S NOT TRUE-**

The Theology, Ethics &  
Morals class  
will **explore and discuss**  
the  
**real and practice  
applications**  
of these topics,  
with the intention of  
making them more  
accessible,  
more understandable  
and more usable  
in everyday life and faith.

Join us, and discover  
**how theology, ethics  
and morals  
can impact your life**  
and help you grow in your  
faith.

**Why should  
we think  
about  
theology?  
  
Do ethics  
and morals  
still matter?**

**Textbooks for the course:**

*"Who Needs Theology,  
An Invitation to the Study of God"*  
by Stanley J. Grenz and Roger E. Olson

*"Be a good person, A Practical Guide to  
Ethics for Everyday Life"*
