

Witness and Proclamation Team

May 21, 2015

Don Geismann - I took the liberty of making you our liaison to the Regional Coordinating Team. You and I were the only people I knew were on the team at that time. I thought it would be logical, since you have a 'connection', and I did not need the job to be the one. If you can't stand it let me know. I can take the heat.

John Mummert - I took the liberty of having you remain as our liaison because I knew you were already active with the team and attending their meetings. No one else volunteered.

Ruth Whitten - thank you for volunteering and for the fact that the Auglaize Valley will now be active!

We need a representative to the Cabinet. I went in May (after the All Team Meeting) and it was not hard. You will make a report to the Team at our meetings.

Don Rock, Renee Caskie, Vince Lavieri, Darrin Harvey, David Rice, and Eldonna Sheldon - could one of you work with me and be our secretary. The secretary usually types up the minutes, emails them to me (as chair) and I look at them for any additions (and a reminder to me of what is happening), after that the secretary sends them to Carolyn at the Association office.

I believe on July 20 Dan Busch will be having a complete knee replacement. Keep him in prayers and send him a card to boost his spirits. Keep Carolyn, our contact at the office, in prayer as she deals with kidney dialysis.

Devotions need a volunteer for Jan 21 and March 17.

Please plan on the meeting September 17. Volunteer positions will be filled at that time. We have many important ministries and each of them needs to be written for publication in the VINE.

If there is anything in these minutes that needs to be corrected please call me. I look forward to working with each and every one of you this coming year!

If we want we can meet in the Association Office at 2 - 3:30pm. If we choose not to then a meeting place for the same date & time needs to be chosen, We have the availability of teleconference and Skype. The office needs advance notice if we will be using it. Hopefully everyone can be at the meeting by voice, face or body!

Blessings of Joy & Peace,
Terry Kohanski
